

The Smooth Brew story started on a February day in 2006 when four friends formed a quartet to sing for the annual Men of Note Singing Valentines event. The four members all liked the sound and decided to continue singing together. Their first public paid performance was six months later and Smooth Brew was off and running as a performing quartet.

Over the last 12 years the group has expanded its repertoire with pop rock, vocal jazz, doo-wop, classical barbershop and vintage harmony selections and sets for Variety, Patriotic, Inspirational/Sacred and Christmas. Their active performing schedule keeps them busy with an average of 25 paid performance a year at venues and events including corporate events, community gatherings, birthdays, anniversaries, weddings, and private parties.

Notable venues and events for their performances include the City of Heath Fourth of July Celebration, Choctaw Casino, SouthFork Ranch, Lake Cliff Park Centennial Celebration, Amon Carter Museum Art in the Dark, Farmers Branch Veteran's Day Celebration, the Frisco Convention Center, the Men of Note Holiday and Spring shows, Frisco Discovery Center, McKinney Home for the Holidays and corporate events at Southwest Airlines, BNSF, KERA and Tenet Health. And recording a jingle for a radio commercial.
